

Dog Park Safety Policy

For the well-being of all dogs and their owners, we are implementing updated safety requirements for use of the dog park.

These measures are necessary to ensure a safe and enjoyable environment for everyone.

All resident dogs and visiting dogs must have proof of current/up to date vaccinations.

Visiting dogs/owners: are classified as a dog/with owner staying with or visiting a Dog Park Member for a period of two weeks or less.

Prior to entering the park, members must email the following information **for any visiting dog to Cyndi Gottschalk tvsymka@gmail.com**

1. A photo of the vaccination records
2. The owner's name and contact information to Cyndi Gottschalk, tvsymka@gmail.com

The visiting dog's owner & their dog, the sponsoring member and their dog must have a "Meet and Greet" with one of the Dog Park Committee members.

This meeting will take place at the park to determine the visiting dog's personality and temperament.

A note will be made on our records about the dog park member/visitor's 2 weeks expiration date. Any longer will require that visitor to purchase a full BSM Barking Lot annual membership at \$100.

Cyndi will issue you an email 2 week pass if you have had the Meet and Greet

Cyndi's two week pass must be kept on hand when using the park.

Visitors and their dogs must be accompanied by a member at all times.

Unfortunately, recent incidents have highlighted the importance of these precautions. Aggressive behavior will not be tolerated under any circumstances.

(Keep in mind any injuries incurred in the park are the responsibility of the dog owner(s) involved; not the park.)

Visitors without their temporary pass accompanied by their sponsor member **will not be permitted in the park.**

There will be no exceptions, friends, relatives!

Thank you for your cooperation and commitment to keeping our community safe. If you have any questions regarding these guidelines, please feel free to reach out.
